SUMMARY

Frontend Developer specialized in Angular (Angular 20) and TypeScript, building responsive, component-based web applications. Hands-on experience with RESTful API integration, RxJS, Reactive Forms, state management, authentication states, error handling, multi-language support (i18n, Arabic/English) and Stripe payment integration.

TECHNICAL SKILLS

Frameworks and Libraries: Angular 20, RxJS, Reactive Forms (Angular Forms), Angular Router, ngx-translate

Languages: TypeScript, JavaScript (ES6+), HTML5, CSS3

Styling and UI: Tailwind CSS, Sass (SCSS), Bootstrap, Responsive Design, Mobile-First, UI/UX Best Practices

Data and APIs: RESTful API Integration, JSON, State Management, Form Validation, Error Handling

Internationalization and Integrations: i18n (Arabic/English), Stripe Payments, Authentication Flow, Toast Notifications

Tools: Git, GitHub, Angular CLI, npm

PROJECTS

E-Commerce Web Application | 09/2025 - 10/2025 **Live Demo**

Angular, TypeScript, RxJS, HTML5, Sass, Tailwind CSS, Stripe

- Built product management features in Angular: load, display and search products using RxJS.
- Developed a cart system with add item, update quantity and remove item functionality.
- Implemented the checkout flow with order summary and Stripe payment confirmation.
- Implemented order processing that saves order details and daily logs.

A&K Grand Hotel - Hotel Booking Web Application | 01/2026 - 02/2026 **GitHub**

Angular, TypeScript, RxJS, RESTful APIs, Reactive Forms, HTML5, Sass, Tailwind CSS, Stripe

- Developed a hotel booking application with room listing, room details pages and date-based availability.
- Implemented the booking flow with calendar selection and form validation using Reactive Forms.
- Integrated RESTful APIs for rooms, bookings, reviews and user data.
- Handled authentication states, error handling and user feedback using toasts and validations.
- Built a responsive UI optimized for different screen sizes.

H&H HopTrip - Tourism Web Application | 10/2026 **Live Demo**

Angular 20, TypeScript, HTML5, Tailwind CSS, ngx-translate, i18n

- Developed a tourism platform with Angular 20 and Tailwind CSS.
- Implemented full multi-language support (Arabic/English) using ngx-translate and i18n.
- Built interactive video grids and custom image/video lightbox modals with keyboard navigation support.

EDUCATION

Bachelor of Computers and Information | 09/2019 - 05/2023
Faculty of Computers and Informatics, Zagazig University

COURSES

Angular Front-End Development | 02/2025 - 08/2025
Route Academy (Online)

SOFT SKILLS

Problem-Solving, Attention to Detail, Communication, Creativity, Learning Potential, Time Management

LANGUAGES

Arabic (Native), English
